

# Movement Building Leaders

## SHIFT:m2M 'Taste & See' Day Conference

There are many good ministries but precious few real movements. Ministries that connect with the lost, win people to Jesus and build up believers are great but true multiplying movements are even better: equipping workers, appointing and releasing multiplying leaders into the harvest field.

Jesus did far more than model good ministry, He built a spiritual movement that has been multiplying disciple-makers around the world ever since. How do we realign our leadership with the mission of Jesus and SHIFT our focus from ministry to movements? What practical insights can be gained through a careful study of the life and ministry of Jesus? What timeless principles did He model to apply as we seek to be movement building leaders today, truly following Jesus?

In this day conference you will be challenged to go deeper into the gospels' account of the life and ministry of Jesus to discover a simple over view of the Master's strategy for disciple-making. You will be challenged to refresh your Christology and make it the practical foundation of your approach to life and mission. You will receive fresh insights into your present ministry with some practical tools for ongoing evaluation.

Although complete in itself, the *SHIFT:m2M* Day Conference provides an overview of a more extensive 15 month process of leadership development comprising 10 days of intensives, retreats and peer interaction all supplemented by detailed personal study through the gospels. The *SHIFT:m2M* leadership process is a life changing journey of rediscovery that realigns life and ministry to Jesus the movement builder.
